## About our course

The Royal College of Psychiatrists' Education and Training Centre has delivered this successful one day ECT training course for many years. This course will provide both specific knowledge and skills enhancement to increase patient and team safety. It aims to maximise the individual's contribution to team functioning and the emphasis will be on the practical aspects of the ECT process.

## Who should attend

- ECT Nurses
- ECT Suite Managers
- ECT Anaesthetists and ODPs
- Psychiatrists

This Training Day will also be of value to Approved Clinicians, Psychiatric Trainees and Associated Health Professionals who wish to consolidate their understanding of ECT.

*"Very worthwhile conference – many of my questions answered"*

*"Very informative, thoroughly relevant to my clinical practice"*
